

*The St. Joseph County Soil & Water Conservation District,  
the Michiana Stormwater Partnership,  
& IUSB's Center for a Sustainable Future  
Present a Film Screening of:*

# WATERLIFE

**Thursday, August 5, 2010 @ 5pm**

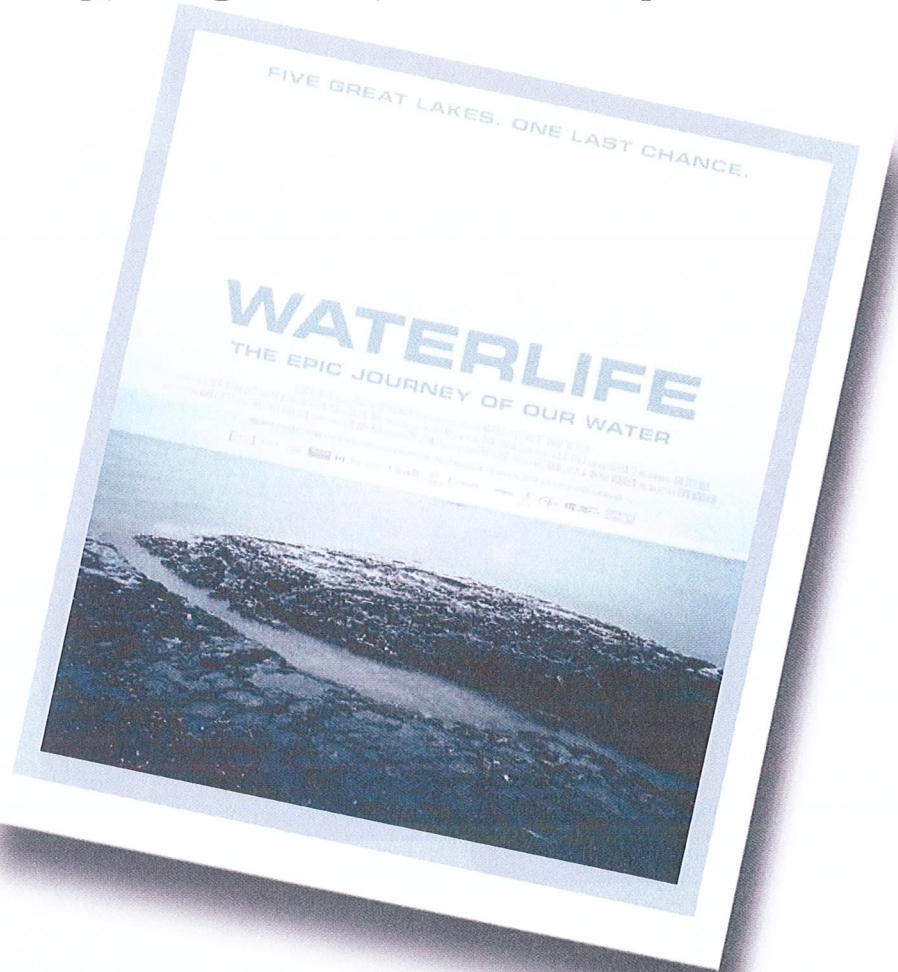

**WATERLIFE** is a new documentary about the state of the Great Lakes that follows the flow of the lakes' water from northern Lake Superior to the Atlantic Ocean.

Join the **St. Joseph County SWCD** and the **Michiana Stormwater Partnership** for a showing of this interesting and thought provoking film.

To discuss local issues that are related to **WATERLIFE**, we are delighted to have Professor Deb Marr from Indiana University, South Bend's Center for a Sustainable Future join us as our keynote speaker. Professor Marr will introduce **WATERLIFE**, and field a Q&A session following the film.

Visit the official website:  
<http://ourwaterlife.com>

*Parental Advisory: Some disturbing images*
