~\*~

**This enlightening workshop is tailored for HOMEOWNERS looking to understand the most practical ways to save energy & money, as well as, CONTRACTORS who perform weatherization upgrades and are interested in specializing in historic homes.**

~\*~

**Presenter:** Ron Zmyslo of PRESERVE RESTORE MAINTAIN INDY has been involved in the building industry for 40 years. He served as Director of Restoration Services for Indiana Landmarks from 1999-2006, owned & operated a Design-Build Firm: Creative Residential Design & renovated scores of historic properties in northwest Indiana where he was also appointed to serve on the St Joseph County Preservation Commission.

Since 2006 Ron has established PRESERVE RESTORE MAINTAIN INDY which focuses on historic & vintage buildings. He is a certified weatherization auditor, proficient in blower pressure door & other energy efficiency testing & is a certified lead safe renovator trained in the new EPA Lead Safety Training practices. He remains on the leading edge of energy efficiency in historic buildings through research with fellows at both Purdue & Ball State University as well as presenting at various conferences around the US. His hands-on Preservation Workshops have been very well received throughout Indiana.

~\*~

About the sponsor: **Chapin Park, Inc.** is a not-for-profit community development organization dedicated to preserving & restoring domestic & commercial properties in the old urban core of South Bend. For more information, contact Joan Downs at 574.288.0559 or [jomdowns@iusb.edu](mailto:jomdowns@iusb.edu)

**Location:** CPI's newly purchased house at **612 Portage Ave**, South Bend Fee: \$20 members of Indiana Landmarks or CPI / \$35 non-members (includes membership to Indiana Landmarks)
