

## St. Joseph County Health Department

*"Promoting physical and mental health and facilitating the prevention of disease, injury, and disability for all St. Joseph County residents"*

### Ordinance No. 38-05

Well Application Number: \_\_\_\_\_

**Please Note: This is NOT a permit.**

The purpose of this Ordinance is to protect the health and welfare of the citizens of St. Joseph County, to ensure the quality of potable water supply wells and to provide information to the Health Department regarding potential groundwater damage. The following tests shall be performed and results sent to the Health Department.

**If a new or replacement well was drilled, the following tests must be completed:**

1. Total Coliform
2. E. Coli
3. Nitrates
4. Fluoride
5. Sulfate
6. Arsenic

**NOTE: The homeowner is responsible for collecting and submitting water samples to one of the following:**

#### St. Joseph County Area State Certified Water Laboratories

EIS Analytical Services, Inc.  
1701 N. Ironwood Drive – Suite B  
South Bend, Indiana 46635  
Phone: 574-277-0707

Valley Lea Laboratories, Inc.
